About Us

Laxmi Crane Service is a widely popular name in the market. A wider audience recognizes us as a trustworthy trader, supplier, and service provider in the industry. The products we offer include, Mobile Tower Crane Slewing Rings, Monkey Lifts, Self Erecting Cranes, Mobile Tower Cranes, etc. Each and every product is procured from reliable and renowned vendors in the market, which is why their quality is never a point of concern for our customers. Being a quality-conscious organization, we understand the importance of bringing forth a quality-assured range of products in the market. By offering the highest standards of quality across our entire product range, we encourage a large audience base to connect with us to fulfill their demands for the aforementioned products. Furthermore, as we place most of our attention on supplying unparalleled quality products to our customers, we similarly ensure that our Rental Crane Services are executed in the most flawless manner, providing a complete return for the money invested by our customers.

Owing to our extensive industry knowledge, we deal with the most reliable manufacturing companies in the market. We select them as our vendors based on several factors, such as production capacity, product quality, prices offered by them, their clientele, market reputation, market presence, and many other factors. Only the companies that meet our expectations across the varied factors are chosen by us to deal with. We are proud to state that our vendors support us with the best quality products and timely deliver large quantities of products so that we are able to fulfill the bulk order demands of our customers within a specified time period.
